WILD TALES FROM THE IMAGINATION

CATALOGUE
NOVEMBER 2023

WILD NORTH COMICS is an independent comic book publisher created by artists and writers from Northern Australia. Since launching the first issue of Wild North Comics anthology in September 2021, our catalogue has expanded to include graphic novels and creator-owned titles; *Zero-Point: Origins* by Jonathon Saunders, *Australi* by Timothy Wood and Pius Bak, *Chronos* by Timothy Parish, *Future Tales* by Philip Tarl Denson and *Heavengrad* by Levin A. Diatschenko.

Wild North continues to cultivate and support new artists and writers and have hosted comic workshops around the Northern Territory and exhibitions at the Museum and Art Gallery of the NT, Darwin Visual Arts Gallery, the Godinyamayin Yijard Rivers Arts and Culture Centre (Katherine) as well as a public art Lightbox Exhibition in Darwin City.

The Wild North Comics collective has participated in the NT Writers Festival, Darwin Fringe Festival, Darwin Zine Fair, Geekfest 2022, Tropic Festival and Oz Comic Con and Supanova. Our artists have been featured on ABC Radio, The NT News, Off The Leash Magazine, Channel NT and ABC 24 national television. In 2023, Wild North Arts hosted the inaugural Wild North Comic Con, the N.T.'s first dedicated comic convention.

Wild North Comics has developed a unique distribution network with retail partners in comic shops, bookshops, cafes, art galleries and supermarkets across the Top End and Australia. Explore our catalogue of amazing titles and help us share these wild tales from the imagination...

GRAPHIC NOVELLA

CHRONOS: THE SPACETIME MACHINE

WRITTEN, ILLUSTRATED & IMAGINEERED
BY TIMOTHY PARISH

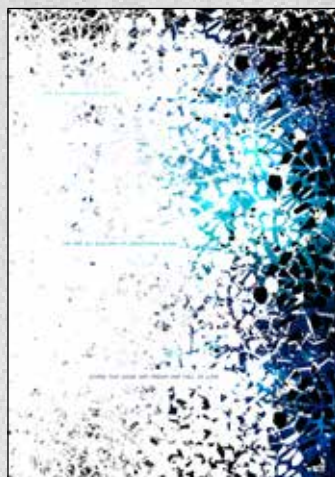

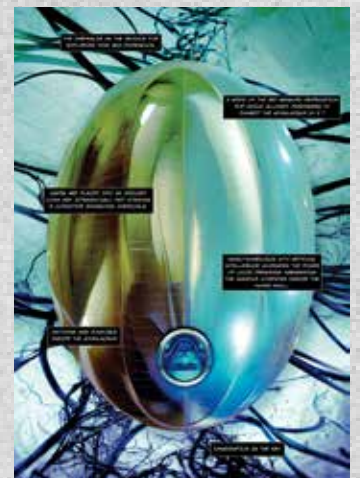

In the near future, the CHRONOS software merges quantum physics, fractal algorithms and artificial intelligence to render a perfect simulacrum of space and time. Yet nothing could prepare the first chrononaut for the voyage he is about to undertake...

CHRONOS: THE SPACETIME MACHINE is a prestige format magazine exploring time travel, simulation theory and cosmic consciousness.

CHRONOS combines traditional, digital and AI neural-imaging arts containing both the original digital illustration version of the comic and the AI generated redux.

44 page, full colour, prestige format.
RRP \$15 - Wholesale price \$10

FUTURE TALES GRAPHIC NOVEL

WRITTEN BY PHILIP T. DENSON

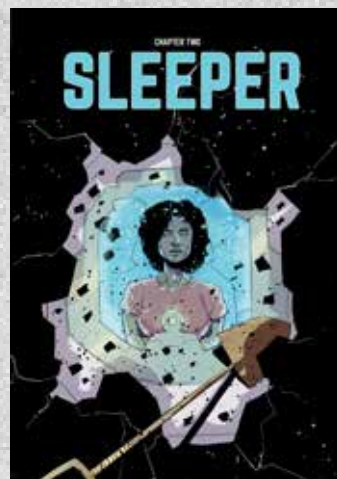

ILLUSTRATED BY ANNEKE P. PUTRI, RAYMUND
AUGUST, YUSSUF ADELEYE, ZIDIAT CHAOUQUI & MORE.

"Once upon a time... Our world ended. No one knew where they came from or what they wanted, but they took everything. They called themselves the World Order Liberation Federation (W.O.L.F.). The survivors live in three hidden underground cities, each run by a resistance leader, ex-cops known as "The Three Pigs." Now we fight to survive. We fight for our happily ever after."

FUTURE TALES re-imagines classic fairy tales into a rich interlocking science fiction adventure set in a post apocalyptic world.

100 page full colour graphic nove w/ gold-foil cover
RRP \$35 - Wholesale price \$21
